

Honorable Vice Chancellor/Rector/Principal,

Subject: Admission of Diploma of Associate Engineers (DAEs) in Engineering Technology programs

Dear Sir/Madam,

As per current admission policy of NTC, the Diploma of Associates Engineers (DAEs) can take admission in relevant discipline of Engineering Technology programs only. Cross discipline movement/admission was not allowed i.e. DAE Electrical going in BSc Civil Engineering Technology program.

2. NTC in its 12th meeting held on 19th February 2025 has approved eligibility of engineering DAEs for admission across all Engineering Technology programs. It is pertinent to mention that DAEs/Diploma in Allied Health fields such as Medical Lab Technology, Cardiac Fusion Technology etc. and non-technical fields such as Hotel Management, Digital Marketing and Graphic Arts etc. are not eligible for admission.

3. You are requested to kindly amend eligibility criteria for Engineering Technology programs being run at your university to accommodate Engineering DAEs admission in all Engineering Technology programs.

With profound regards,

Muhammad Fahd Amin
Acting Director Operations & Admin

To,
All Vice Chancellors / Rectors/ Heads of Institutes offering Engineering Technology Programs
