

Honorable Vice Chancellor/Rector/Principal,

Subject: Admission of FSc General Science with Mathematics, Statistics and Economics Students in Engineering Technology programs

Dear Sir/Madam,

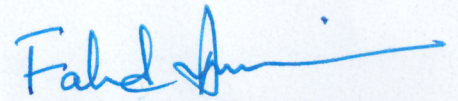

The eligibility criteria of admission in any Engineering Technology program is minimum 50% marks in F.Sc. (Pre-Engineering/Pre Medical) or Equivalent Qualification A-level / ICS (Math, Physics, Computer Science) / DAE / B.Sc. (Excluding Sports and Hafiz-e-Quran) followed by an entry test.

2. NTC in its 13th meeting held on 14th May 2026 has approved eligibility of FSc. General Science Students with Mathematics, Statistics and Economics to take admission in Engineering Technology programs on following terms and conditions:-

- a) They have to pass the admission test of the university/other agencies to fulfill the admission criteria;
- b) They will study additional Physics course (FSc Level designed by the HEI) in first Semester of the Engineering Technology Program. The course credit hours will not be counted in the degree credit hours.

3. You are requested to kindly amend eligibility criteria for Engineering Technology programs being run at your university to accommodate FSc. General Science with Mathematics, Statistics and Economics students admission in Engineering Technology programs on conditions mentioned at para 2 above.

With profound regards,

Muhammad Fahd Amin
Acting Director Operations & Admin

To,
All Vice Chancellors / Rectors/ Heads of Institutes offering Engineering Technology Programs
